

ORGANISATIONAL RELEASE

I/We understand that:

a) Volunteering Mid & South Canterbury will refer potential volunteers to us based on the information which we have provided.

b) The acceptance or decline, placing, training and ongoing support and evaluation of all volunteers within our organisation is the responsibility of our organisation.

c) As most organisations require a Police Check to be conducted before engaging a volunteer, Volunteering Mid & South Canterbury do not conduct Police Vetting of potential new volunteers. Our organisation accepts the responsibility of conducting a Police Check if we require this.

d) By signing this statement, I/we accept responsibility for any eventualities that may arise from any volunteer that is connected with our organisation. We hereby release Volunteering Mid & South Canterbury from any claim, liability or demand which may arise as a result of actions or a failure to act on the part of any volunteer.
